Only four performances left of Aurelia Thierree's stunning Murmurs. Not seen it yet? Here's what you're missing out on.

**NathaniaWong** MURMURS @southbankcentre was a fantastical experience! Well done and thanks to @COLLtd for bringing them in, wish I could watch it again

**Rough\_Hewn** Don't know what it 'meant' or how it was done, but my God #Murmurs @southbankcentre is phenomenal.

**LINDSEYABOURNE** #murmurs @southbankcentre was awesome. Pure magic on stage. Our jaws spent most of the time on the floor. Highly recommend.

**fgeach** Murmurs was out of this world. Very French and imaginative. I strongly recommend you see it @southbankcentre

**HannahKendall\_** LOVED Murmurs @southbankcentre tonight. Stunning!

**emily\_\_firefly** Aurelia Thierree's Murmurs @southbankcentre was utterly lovely. Perfect to make me giggle on what-had-been a pretty boring boxing day.

**HutchinsonMatt** #Murmurs @southbankcentre – mystifying, brave, beautiful and clever. Left somewhat speechless and dumbfounded by it – in the very good way!

**jess\_emolloy** Also, just wanted to say thanks to @southbankcentre as I've been twice this week to see colour of nonsense and murmurs – both totally brill!

**chunchilla** If you're in London and can get a ticket go see this – gorgeous! Murmurs starring Aurélie Thierrée [southbankcentre.co.uk/find/dance-per...](http://southbankcentre.co.uk/find/dance-per...) via @southbankcentre

**bitoclass** Murmurs at @southbankcentre is very enjoyable: a beautifully choreographed mix of illusion, amusement & oddities, starring Aurélie Thierrée.

**chunchilla** Well! Murmurs @southbankcentre is utterly fabulous. Feel like I've been down Alice's rabbit hole for 70 mins! #theatre #dance #puppetry

**stevebob79** Have come out with a smile on my face from Murmurs @southbankcentre. Delightful piece with really lovely bits of staging. Recommended.
